## **SPEAKER**

S Suresh Kumar is a  
trained and certified risk  
management professional  
in the area of Supply

Chain Management and Brand  
Protection. Has a Law degree from  
University of Wolverhampton (UK).  
Specialized in providing risk  
management and assessment  
services for internal and external  
associates, consultation on brand  
standards, protection, contract  
management, outsourcing and  
subcontracting, human resources  
training and other programmes on  
various specialized projects.

## **OBJECTIVE**

- Acquire in depth understanding of the risk assessment, management and control practices for any business and manufacturing operations and an insight into the legal implications if risks are not managed effectively.
- Highlight the strategies to recognize risks, assess probabilities and potential impacts and responsive steps using analysis tools and effective techniques to identify, assess, rank and quantify risk.
